### **About the Foundation**

Jim was a graduate of Bethlehem Catholic High School and Yale University in 2002, where he was an All-Ivy League football player. After graduation, Jim worked as a Trader for Sempra Energy. Jim passed away suddenly in 2003 from a previously un-detected congenital heart condition.

The James F. Keppel Foundation was created in 2003 as a non-profit entity to provide educational scholarships to students here in the Lehigh Valley and around the world. The Foundation is a 501(c)(3) Charitable Trust. **For more information, go to the Foundation website: [www.jameskeppelfoundation.org](http://www.jameskeppelfoundation.org)**

### **Annual Awards:**

Holy Family Grade School & Bethlehem Catholic High School (Pennsylvania)

The Foundation provides two \$500 scholarships to for students to attend Holy Family and also extends a college scholarship annually to the Football Scholar Athlete at Bethlehem Catholic.

College Scholarships (Port-au-Prince, Haiti)

The Foundation extends scholarships annually to graduates of Louverture Cleary School to those going to Medical School, studying Business Administration and Political Science at a college in Haiti. These scholarships can help make a difference in Haiti, the poorest country in the Western Hemisphere. Despite its rich culture and history, Haiti is suffering through extreme poverty and political insecurity.

Yale University

The Foundation has endowed an annual "Jim Keppel" award to the football player who best exhibits Jim's work ethic, pride and dedication to Yale Football, as well as his ability to enrich the lives of his friends and

teammates. We are extremely proud that we can award these scholarships in Jim's name and feel that all recipients embody his talents and spirit.
